

PRECISION CUTTING & MEASURING TOOLS

Solution for different type of Industry

■ Wind Turbine

■ Automobile Industry

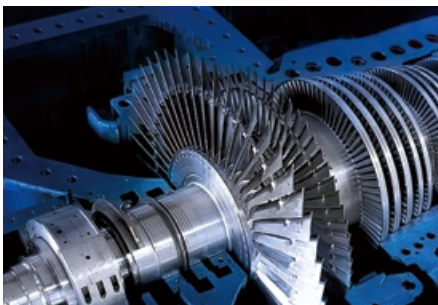

■ Civil Aviation

■ High-end Equipment

■ Construction Machinery

■ Power Plant Equipment

■ Rail Transit

■ Steel Structure

■ Automation & Robotics

Three Fundamental Applications

■ Spline

■ Gear

■ Thread

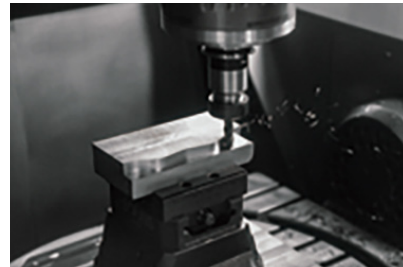

Three Processing Technologies

■ Broaching

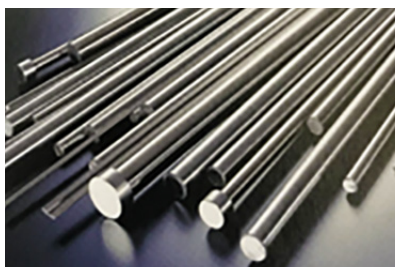

■ Drilling

■ Milling

Three Tooling Forms

■ High-speed Steel

■ Carbide

■ Indexable

Round Broaches

Spline Broaches, Helical Ring Gear Broaches (with/without replaceable shell), Hard Broaches, Extra Large Ring Gear Broaches, Special Broaches, etc.

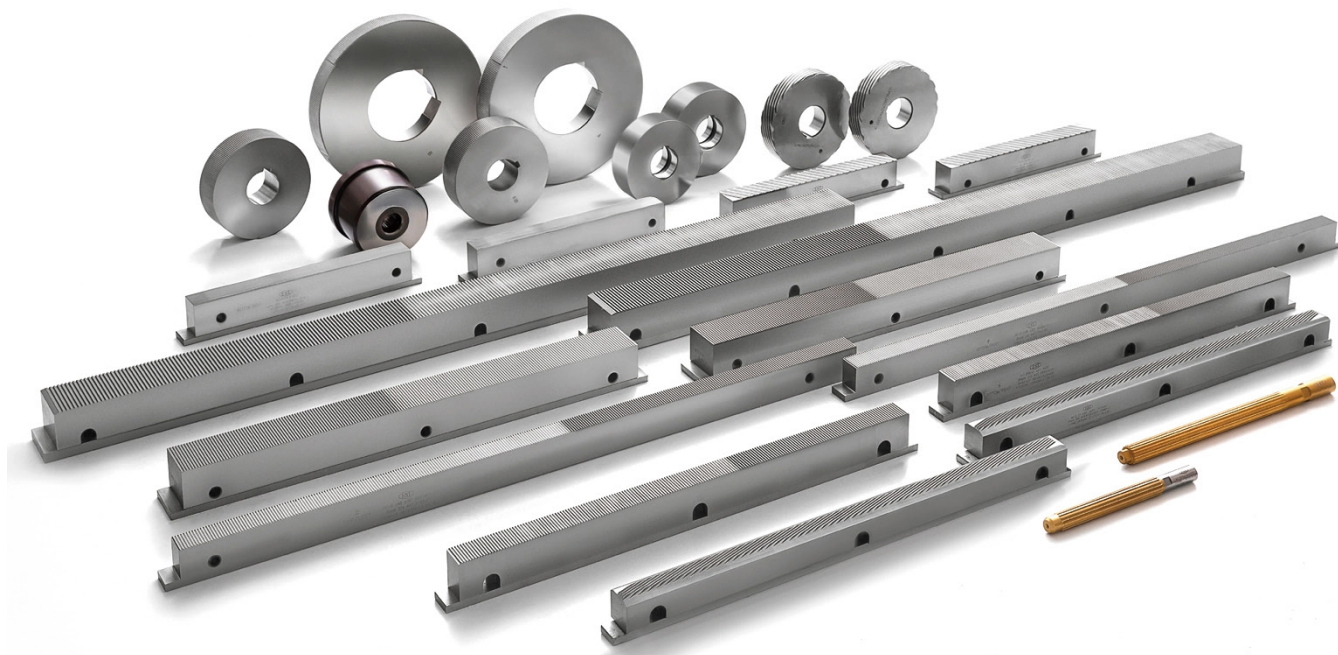

Form Broaches

Turbine Disk Slotting Broaches, Steering Rack Broaches, End-tooth Plane Multikey Broachets, Pot Broaches, Car Brake Caliper Bracket Broaches, High-precision Keyway Broaches, Indexable Broaches, All Kinds of Tool Holders and Fixtures, etc.

Cold Forming Tools

Spline Rolling Racks, Thread Forming Racks, Oil Groove Forming Racks, Worm Gear Forming Racks, Spline Rolling Dies, Thread Rolling Dies, Worm Gear Rolling Dies, Carbide-inserted Spline Dies, etc.

Precision Measuring Tools

Spline GO/NOGO Gauges, Spline Arbors, Expanding Mandrels, Plain Round GO/NOGO Gauges, Master Gears, DBB/DOB Variable Gauges, CTT/CSW Variable Gauges, Handheld/Bench-Type Variable Gauges

Gear Cutting Tools

HSS/Carbide Involute Spline Hobs, Rack Milling Cutters, Shaper Cutters, Skiving Cutters, gear cutting tools, etc.

Custom Drilling & Milling Cutters

Solid Carbide Milling Cutters, Deep-Hole Drills, Center Drills, High-precision Reamers, Steam Turbine Rotor Slot Milling Cutters, Fir-Tree Root Milling Cutters, Impellers & Blisks Milling Cutters, Milling Tools for Civil Aviation Parts, Ultrasonic Milling Cutters, Indexable Milling Cutters for Rotors, Rails, and Wind Power Gears, Indexable Gun Drills.

Annular Cutter

TCT Core Drills, HSS Annular Cutters, Rail Core Drills, Hole Saws, Step Drills, BTA Deep Hole Drills, etc.

Thread Tools and Thread Gauges

Nut Taps, Machine Taps, Thread Milling Cutters, Thread Plug Gauges, Thread Ring Gauges, Thread Variable Gauges.
